

PLATE/BIB INSTRUCTIONS!

CONGRATS ON BEING PART OF THE 2020 BGMC VIRTUAL CHALLENGE!

Want to print a plate/bib off to go on the wall or use during the challenge? No problem! Here is how:

1. Open this PDF (or the JPG file) in an editing software. This can be anything from adobe programs, to photos on your iphone.
2. Know your bib number and use a text edit feature to add your number in. We recommend black as it will show up the best when printed. Add your name, sponsors, or any hashtags that you like as well!
3. Print to fit on your printer at home.
4. Cut it out around the edge. If you're cycling with it, maybe laminate, or tape this plate over an older, stiffer one.
5. Post a photo of your plate and #BGMCVirtualChallenge2020

You don't have to do this by any means. Just do so if you're wanting to add a little fun and create another keepsake from the challenge! Have fun!
