MAP

RACE HQ / CAMPGROUND MAP

Address for Race HQ:
Honeysuckle Rd, West Point, KY

Camping is to the left when you pull into the park onto Honeysuckle Rd.

Sponsoring bike shops, vendors, Jr teams, and race staff are permitted to park at race HQ. The pedal from the campground is a flat road that only takes a couple minutes.

DO NOT PARK ON PAVEMENT AT CAMPING AREA!

CAMPGROUND NOTES

This is not a “Campground”, but we have arranged with the current owner to use this for the event. Please be respectful, prepared, and know that this is a primitive setup. We will have some portojohns there. Please carry out all of your trash. It is a decent ride, yet flat and easy to the race HQ. It is the same place as last year. You must register for your spot online via the race registration page.

REFUNDS

No refunds are our general rules if you decide not to race. We will look at a possible credit for another race. We will not consider a refund or credit within 48 hours of the event start.

TRANSFERS

If you wish to give away or transfer your registration it must be done before registration closes online. No transfers can occur after online registration closes.
