## MTB ROUTES

Please, see website for MTB routes: [bluegrassmountaincup.com](http://bluegrassmountaincup.com)

We encourage you to use the digital files and pay close attention at the riders meeting when you're on the start line. We suggest using Strava or downloading the GPX and using Trailforks. We feel you studying what we have posted online will be best to get an understanding of it all. Strava says 1300+ Ft of elevation per lap. Trail forks says 550. Hard to say what it really is. But I am guessing closer to 1300...

If you have questions, please reach out.

# PARKING MAP

## PARKING

Parking is in the extension office lot (yellow lot) down the hill from the horse ring.

Race course is the red line. Registration will be in the pavilion in the center of the loop.

Red area is off limits for parking this is where flood and fire displaced locals currently live. Please respect their space.

## Directions:

Horse Park Rd, Hazard, KY 41701

You will turn into the extension office lot before getting to Horse Park Rd. Look for BGMC sign.

# RAIN OUT / REFUNDS

We race in the rain! These trails are great with taking rain and we have a local volunteer crew that is willing to help fix things after the event. We do not give refunds because of rain. Only if weather is severe and dangerous would we call the race, or cancel. If canceled, we will work to get the race rescheduled.

If you can't make it due to family emergency, sickness, or other out of control factors, we will credit your entry to another event. Just let us know ASAP.

# CONTACT THE RD!
